

Camp Kai Junior Waterman Program

The Camp Kai Junior Waterman Program is located at The Line Up at Wai Kai. The Lineup at Wai Kai is a state-of-the-art property that fosters the waterman lifestyle blending surfing and paddle sport activities. Children will be taught the fundamental skills and culture of the Waterman lifestyle with curated fun and cultural activities that will leave an impression for years to come. They will learn water safety, paddling skills, leadership, and teambuilding.

Your child's safety and well-being are our top priority. All Camp Kai staff must submit to background checks and are trained to work with children. For the safety of your child, we ask that your child wear the camp t-shirt every day, so they are easily identifiable.

Please note most surf and waterfront staff are Red Cross CPR/First Aid/AED and Lifeguard certified.
